

MODELS D6207, D6208, D6212 & D6213: DOUBLEWIDE LIFTER

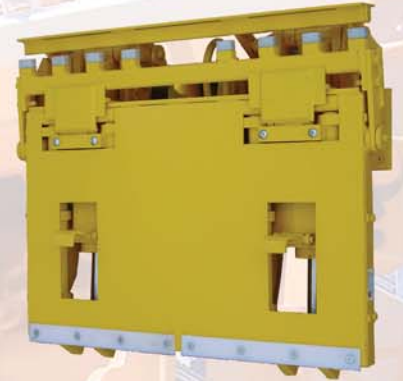

Designed especially for the export market, the Doublewide series of machines can lift one or two bins at a time or a large single four-wheeled container. Options include hooks for US bins and folding trunnion arms for side lifting.

The performance you demand requires a serious machine with all the refinements that you've come to expect from the leader in the waste handling industry.

- ◆ Available in four configurations to best suit your application
 - D6207 - US & Euro bins, no trunnion arms
 - D6208 - US & Euro bins, with trunnion arms
 - D6212 - Euro bins only, with trunnion arms
 - D6213 - Euro bins only, no trunnion arms
- ◆ Powerful dual cylinders lift the heaviest loads, up to 1100 liter bins.
- ◆ Minimal greasing for less maintenance

Specifications

- Mounting height to top of plate: 42"
